

# How to Join as a new member or Rejoin a Surf Club (after an absence)

Welcome to Surf Life Saving - it's great that you'd like to get involved in the movement and to make a difference to beach-goers lives. Getting involved means joining a surf lifesaving club, and to enable you to do this, we have created electronic systems to ease you through the process.

Go to our website <https://sls.com.au/join> and answer one simple question:

**Have you or the person you're signing up on behalf of (eg: your child) been a member of a surf club or surf life saving within the last two years?**

You will be directed to the appropriate next step by clicking on an answer.

## What should you do next?

### Joining for the first time

Tell us what sort of organisation you'd like to join: a surf club, a training academy (for Commercial Training) or other (other includes a Lifeguard Service, Support Operations or Non-SLS affiliated Club).

**Simply choose the type of organisation by clicking on the appropriate button.**

The image shows a screenshot of the SLS website's 'JOIN' page. At the top left is the SLS logo. The word 'JOIN' is displayed in large red letters. Below it is a horizontal line. Underneath the line is the question 'WHO ARE YOU AND WHICH CLUB WOULD YOU LIKE TO JOIN?'. Below this question are three radio button options: 'Surf Life Saving Club.', 'Academy for Commercial Training', and 'Other'.

Once you have chosen the organisation type, you can now nominate the club or academy that you wish to join.

The system has full information on all clubs and organisations so you simply select the appropriate state and then type in the name of the club you wish to join. If there are a number of organisations with similar sounding names, you can pick the correct one from the list by clicking on the list underneath the text box.

The screenshot shows the 'JOIN' form with the following fields and callouts:

The mandatory fields are highlighted in a red border*). This form captures personal information (contact details and emergency contact details). There is an optional section where you can add additional details such as license information &/or clothing sizes if you so choose.

At the bottom of the application there is a 'Confirmation' section whereby you agree to the Members Declaration. To complete this section you must tick the acknowledgement boxes. ## Rejoining a surf club after an absence

If you were previously a member of a surf club or other surf life saving organisation then it is highly likely that there is a record in the national administrative database. If you belonged more than two years ago, then it is also highly likely that many of the details we have for you, have changed. So if you were a member:

**More than two years ago**, please go to [join.sls.com.au](http://join.sls.com.au). click the JOIN button within the No section. Select the State and club you wish to rejoin or join and complete the basic information section.

The system will notice that you are already in the national database and you will be asked some simple security questions which will enable us to identify you correctly. You need to answer at least 2 of the 4 questions.

Once identified, please continue to complete the basic details section and confirmation section of the form.

Once complete – hit the **'Submit the Form'** button.

The screenshot shows a web form titled "Security Questions". At the top, a green message box states: "We have noticed you are already in our system, this means you are a returning member which is great! We just need you to answer some quick security questions so we can confirm your identity". Below this, there are four questions:

- 1. "What was your previous Organisation?" with a dropdown menu labeled "Select Organization".
- 2. "In what suburb did you reside when you were last a member?" with a text input field labeled "Please type the suburb".
- 3. "In what year were you last a member?:" with a dropdown menu labeled "Select Season".
- 4. "What was your email address when you were last a member?:" with a text input field.

A red "Submit" button is located at the bottom right of the form.

**Less than two years ago**, please go to the Members Area URL: [portal.sls.com.au](http://portal.sls.com.au) and create a log in account. The Members Area is where you can apply to join a new club or to renew your membership with your existing club.

## Next steps for you

When you have filled out and submitted an application form **and paid** the club's fee, your application will be considered by the club. Membership is not automatic. If there is a delay or you need to ask a question about your membership application please contact the club or Organisation that you applied to join, directly.
