**MACKAY REGION – FRIDAY 13<sup>TH</sup> AUGUST @ HARBOUR BEACH**

The Secondary School Surf League Program has been created to introduce students to surf life saving skills and competition, whether they are a lifesaver or not. The format of the league will certainly challenge students and will enable students to test their abilities against themselves, the environment and students from other schools across the region. The Secondary School Surf League will encompass activities relating to surf swimming, beach sprints and flags, board paddling and rescue disciplines.
